

Technical data sheet and product guideline

NEUT1

Neutralizing solution for the plating process 5L (ready-to-use)

Color coordinates

L
a
b
c

Product form

Form	Liquid
Material color	Transparent
Storage time	2 years
Format	Ready to use
Chemical type	Acidic
Volume	5 liters

Operating data

	Range	Optimal
Working temperature (°C)	20 - 30	25
Exposure time (sec)	5 - 30	10
Agitation	Absent	

Metal concentration

Metal	Range (g/l)	Optimal (g/l)
-------	-------------	---------------
