

Technical data sheet and product guideline

STEP1

Deoxidizing liquid without cyanide 1 L (ready-to-use)

Color coordinates

	L
	a
	b
	c

Product form

Form	Liquid
Material color	Transparent
Storage time	2 years
Format	Ready to use
Chemical type	Acidic
Volume	1 liter

Operating data

	Range	Optimal
Working temperature (°C)	20 - 25	
Exposure time (sec)	120 - 180	

Metal concentration

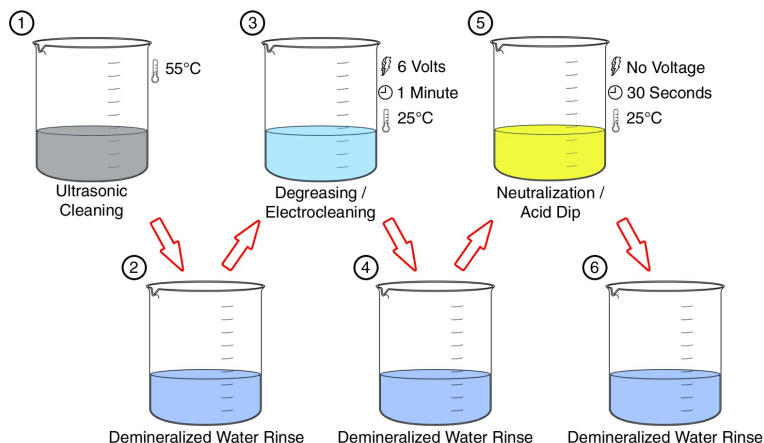

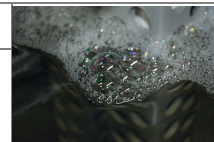

Metal	Range (g/l)	Optimal (g/l)
-------	-------------	---------------

Deposit data

Technical data sheet and product guideline

STEP1

Deoxidizing liquid without cyanide 1 L (ready-to-use)

Product usage

Packaging

The product comes in a high density polyethylene bottle in 1 liter packaging.
